HYPOALLERGENIC SHAMPOO

Protects against allergic reactions and irritation

Shampoo for dogs with particularly sensitive skin prone to irritation and allergies. Thanks to the content of **natural aloe vera extract**, it accelerates the healing of skin lesions and soothes itching. On the other hand, the collagen contained in the product will improve coat density and structure and strengthen the natural protective barrier. It has a delicate green tea fragrance.

HERBAL SOOTHING SHAMPOO

Has a soothing effect on a dogs' skin

The shampoo gently cleans and brings relief to irritated skin. Thanks to its **nimtree-oil** the shampoo has an antibacterial and soothing effect. Recommended as a regeneration aid after treatment against parasites living on the skin. The shampoo has a subtle thyme fragrance.

PUPPY SHAMPOO

Gently cleans and protects your puppies' coat

Extremely mild shampoo for puppies. Thanks to its **natural extract from oat and goat milk**, it is especially recommended for sensitive, atopic and skin prone to irritation. The β -glucans and starch present in oat improve the corneum's protective barrier by preventing excessive water loss. It has a pleasant honey-milk fragrance.
